ORDER CORRECTING ERROR

It has come to my attention that there was an inadvertent error in Decision 05-09-039 regarding the description of San Diego Gas & Electric Company's (SDG&E) ratemaking treatment, as presented in the utilities' joint filing. The account name referenced in the description for Southern California Edison Company was inadvertently repeated for SDG&E. This occurred on page 10 (third bullet point) of the decision text. Ordering Paragraph 2 repeats this error.

Therefore, pursuant to the authority granted in Resolution A-4661, **IT IS ORDERED** that the first sentence of the third bullet point on page 10 of the decision should be modified to read: "For SDG&E, the Rewards and Penalties Balancing Account." The third bullet point of Ordering Paragraph 2 should be corrected to read: "For SDG&E, the Rewards and Penalties Balancing Account advice letter filing."

This order is effective today.

Dated September 24, 2005, at San Francisco, California.
